To Whom It May Concern

July 2026

This letter serves to confirm that the HDPE Woven Agri Weed Control Fabric manufactured by Dynamic Technical Textiles (Pty) Ltd t/a Dynatex has been independently tested in accordance with the attached Roediger Agencies report.

Test Results Summary:

UV Exposure:	3000 Hours
Expected Service Life:	8-10 Years
Fabric Behaviour:	No colour change, no degradation, and no loss of strength.

Actual Service life is also dependant on geographic location, UV intensity, installation method, environmental conditions and chemicals not suitable for HDPE plastic.

Statement of Commitment:

- *Dynamic Technical Textiles (Pty) Ltd remains committed to Quality, Consistency & Integrity.*
- *Proudly manufactured in Atlantis, Western Cape, the product supplied under this confirmation is made to a fixed formulation.*
- *Our recipe never changes.*
- *Our standards never drop.*
- *You can expect the same performance, batch after batch.*

Kind Regards
